PROTECT

## Company Overview

- Robert K. Wittman, the founder and Senior Investigator of the FBI Art Crime Team, is responsible for the recovery of more than \$250 million in art and cultural property.
- Whether you are a collector, an institution, or in the art industry, we offer security consulting services for you.
- Robert Wittman Inc. protects your cultural property. We work relentlessly to recover, secure, and protect your art investments.

## OUR CLIENTS INCLUDE...

- Auction houses
- Museums
- Libraries
- Corporations
- Historical societies
- Private collectors
- Collector groups
- Government agencies
- Institutions

## Security Services

### Art Recovery Services

We offer an unmatched record in finding and returning stolen or lost art works. Theft prevention services include site surveys and security reviews.

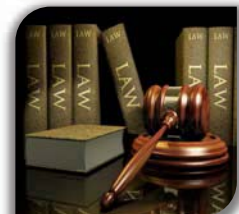

### Due Diligence and Provenance Reviews

We provide expertise verifying statements and coordinating available information about specific artworks. We ask the tough questions.

### Art Law Services

We are proud to offer the “Rapid Deployment Art Law Information Service.” This groundbreaking program offers immediate access to the finest assistance in art law matters.

### Acquisition and Compliance Issues

We consult and assist in matters involving restitution claims and government compliance issues. Our company provides assurance to collectors through pre-acquisition reviews.

## Speaker Availability

### Drama, Suspense, Intrigue...the Stories Behind the Headlines of the FBI's Real Indiana Jones

#### Fundraising

- Annual donor events
- Special events
- Keynote topics about Art Recovery, Security and Protection

#### Education

- Collector security involving Fraud, Forgery and Fakes
- Federal and State Laws impacting the international art market
- What the FBI and law enforcement can do for you
- Benefits of Independent Security Consulting

#### Entertainment

- Action packed tales ripped from today's international headlines
- Undercover operations that solved the world's greatest Art Heists

“The true value of art is not measured by its worth but by what it represents.”

*-Robert Wittman*
